

Dear Craftsperson,

Thank you for accepting our invitation to exhibit and sell your work at the Wesleyan Potters 56th Annual Exhibit & Sale.

Note inventory lists are due between October 1 and October 15.

If you have problems call me – 860-347-5925 or email me at wesleyan.potters@snet.net.

Please know that all work sold at Wesleyan Potters is looked at again for quality before it is put out on the Sale floor. Whether one-of a kind or limited production, your work should reflect your individuality, be well conceived and expertly executed by hand or with appropriate tools. Be sure to follow the special guidelines for potters, jewelers and fiber artists.

To help sell your work, we love to be able to tell your story, so please provide us with any promotional material or information on yourself and your work that you think might be helpful to us. Digital photos of your work may be emailed directly to the pottery at wesleyan.potters@snet.net. All artists participating in the Wesleyan Potters reside and work in the United States. We promote “handmade in the USA.”

Please note that all work must have a Wesleyan Potters bar-code attached before it can be released for sale. See the Information Sheet for all the instructions. All instructions and forms can be found on our website. This is the link to get to them --

<http://www.wesleyanpotters.com/show-downloads.shtml> Jewelers, be sure to check out the special instructions.

Thanks again for participating and helping us celebrate 56 years of Great Handcrafted Art!

Sincerely,
The Wesleyan Potters
