

Criteria, Guidelines, and Standards  
**For Fiber Artists**

1. Each clothing item must be labeled with fiber content with percentages. Required by law.
2. Each clothing item must have care instructions, i.e. hand or machine wash or dry clean. Required by law.
3. All items should be display-ready
4. No item should have a label on it from another establishment of previous sale.
5. No moth-ball or cleaning agent odors.
6. All items must be properly finished. For weaving, this means waters-finished or spritz. The only exception are rugs.
7. All items must have a Wes Pots bar code label attached. String tags are often best safety pinned to the item. No straight pins.
8. First year artists are limited to 25 pieces. We will call for more items, if needed.
