Spring 2025

Dear Craftsperson,

If you are applying for the first time to participate in our Annual Sale, sell in our gallery or would like to add a new craft (if you have sold with us before), we ask that applications and work be submitted by the dates below. The Jury New Crafts Committee will meet to review applications and welcome new artists.

THIS IS AN INVITED CRAFTSMEN EXHIBIT –

Craftsmen interested in participating must present three to five representative pieces of work along with the completed Jury Form. If the work is unusually bulky three pieces will suffice. There is no jury fee to apply.

COMMISSION STRUCTURE –

Our commission is 40%. After the sale a check for the remaining 60% of your retail price will be mailed to you mid-January.

ELIGIBILITY –

All studio crafts will be considered except the following: pottery unless unique to members' work, crafts made from commercial kits or commercially available plans, and jewelry made from stringing beads. Work must be produced by the craftsmen. We do not accept original fine art; oils, acrylic, pastels, watercolor, etc. Prints from original works are accepted. (Refer to the sheet on Eligibility for Categories and brief details.)
